

Finger Click Saver's Media Kit

Finger Click Saver is a family friendly site. Given that, FCS is interested in family friendly product reviews, giveaways, and websites. If you are interested in collaborating with Finger Click Saver, please review FCS's Policies. I look forward to collaborating with your company and should you have any questions please don't hesitate to ask. I am confident we can come up with a solution to any concern you may have.

Product Reviews

Finger Click Saver does not charge for product reviews; however, Finger Click Saver does require the company to provide a full size sample product, mailed at your company's expense, to Finger Click Saver. The product will not be returned to the company. This is mandatory as Finger Click Saver cannot write an effective review of the product for your company without having hands on experience with the product first. Reviews will be completed within three weeks of receiving the product.

Once the item is received Finger Click Saver will review the product, take pictures (or use your pictures), and write a review based on Finger Click Saver's honest opinion. If for some reason Finger Click Saver does not like the product, or has an issue with the product, FCS will offer the company to either:

1. Send Finger Click Saver another product
2. Post the review on FCS as is
3. Not post the review at all

Giveaways

Finger Click Saver will host giveaways solely using the Rafflecopter platform for entering.

FCS charges \$50 for hosting and promoting it on the FCS website for a two week period. Promoting includes posting to FCS Facebook and Twitter Accounts. Should you want the giveaway to run longer, the fee will be determined based on the company's individual needs.
